

At Starbucks we strive to bring you a variety of foods to meet your lifestyle choices. In addition to the products listed here, you can also find yogurt, juices and other packaged foods in our stores. Product availability may vary from store to store. Nutrition information is calculated with information provided by the suppliers who manufacture food for Starbucks Coffee Company. Starbucks attempts to provide product information that is as complete as possible. Variations may exist due to periodic changes in formulations. Serving sizes may vary from those used to calculate nutrition information. New product introduction or product changes during the life of this publication may cause the information to be incomplete. All of our food products are produced and stored in environments where known allergens may exist.
