HELLO,

We’re inviting you to bring your personal taste and handcrafted style to work.

As ambassadors of the Starbucks brand, you should feel proud of your own look as you tie on the green apron. Our Dress Code reflects the professionalism you bring to your craft, the commitment to making every moment right and the inclusive welcome at the heart of our brand.

We hope this Dress Code Lookbook gets you excited to open your closets and have fun.

LICENSED STORES: Information on how the Dress Code should be interpreted and enforced, and which items will be provided by your employer, is provided for reference only. Licensees may impose a more restrictive Dress Code, if appropriate. If you have questions about what the Dress Code means for you, talk with your company’s leadership.
What handcrafted style looks like.
You are the face of our beloved brand, connecting with our customers every day. You’re expected to present a clean, neat and professional appearance when starting every shift. In keeping with this Dress Code, make sure your clothing is clean, hemmed, wrinkle-free and in good repair.

We trust you to make the right choices, but if you have any questions, your manager is there to help guide you. Store managers will ultimately make the call as to what’s okay within the Dress Code and what’s not. If you come to work inappropriately dressed or with unacceptable appearance, you may not be permitted to start your shift.
**APRON**

You are responsible for keeping your apron looking sharp—free of holes, tears, stains, etc.

Wear your name on your apron during each shift as specified by operational standards. Aprons must be worn full length, not folded in half and not tied in front. No other modifications should be made to the apron unless specified by Retail Operations guidelines. For food safety, remove your apron while on breaks, taking out trash or while in the restroom.

If at some point you are no longer part of our Starbucks team, please return all aprons in good condition (other than normal wear and tear).

**NAME BADGE**

Write your name cleanly or with personality—just make sure it’s legible. Wear it attached to the upper left corner of your apron.
COLOUR PALETTE

Here is an at-a-glance view of the colour spectrum and material choices that you will see referenced in the upcoming sections.

COLOUR

Black  Charcoal  Grey  Navy

MATERIAL

Cotton  Polyester  Leather  Canvas
HAIR
If hair colour is your style, it’s welcome.

Please keep it tidy: clean, brushed and kept back from the face. For food-safety reasons, hair colour must be permanent or semipermanent; no sprays, glitter, chalks or temporary products. Tie long hair back with plain clips or hairbands to avoid contact with drinks or food. Please keep beards and mustaches neat and trimmed.
TOPS
You’re invited to wear a range of subdued shirt colours beyond black and white, including grey, navy, dark denim and brown. Solids are your friend, and so are smaller, tighter, low-contrast patterns. Undershirts do not need to match the shirt colour but still need to be in the palette (pages 8–9).

Choose a clean shirt appropriate for foodservice that allows freedom of movement without presenting a safety hazard. If the shirt is worn untucked, the bottom hem should be long enough so that your midsection won’t be exposed when bending down or reaching overhead, but generally not longer than your back pants pocket. (Ask your manager in advance if you’re unsure about a shirt choice.)

Wear pants, shorts, skirts or dresses in black, grey, navy, brown and khaki (no white). Jeans are welcome too, in darker washes and hues only (no light tones). All clothing must be durable, practical and fit comfortably, without rips, tears, patches or distress.

Shorts, skirts and dresses should be no shorter than four inches above the knee.

**FOOTWEAR**

Shoe colours should be in black, brown or grey (a small amount of accent colour is allowed). Make sure your shoes provide support, comfort and safety.

For personal safety—and to avoid injury if you drop sharp or hot objects on your footwear—shoes should have a closed toe and a flat, closed heel with as much coverage of the top of the foot as possible. Always wear socks or hosiery. Starbucks does not require slip-resistant soles, but we strongly encourage you to wear them to reduce the risk of falls or injuries.

**YES LIST**

Leather, faux-leather, suede, rubber or other similar materials in black, brown and grey.

HATS

Top off your look with beanies, fedoras and other suitable hats in brown, grey or black, making sure they’re clean and free from snags.

If your store requires you to wear hats by province or local law, you can choose from the options below that meet regulations. A small manufacturer’s logo on the side or back is okay, but not on the front. Always wear the bill forward.

Quebec only: Hats must be worn by all partners and all hair covered. When hair is too long to be contained, a hairnet may be worn under the hat to cover. Bangs and/or ponytails also need to be contained.

YES LIST

Fedora, bowler, baseball cap (plain, solid colour), Starbucks® logo hat or visor, flat cap, newsboy, Panama or trilby.
**NO LIST**

ACCEMENTS

Love to wear a tie? Feel free to incorporate an optional accent (just make sure it’s not the main event of your outfit). Your accent colours can go far beyond the colours represented in the palette (pages 8–9). Choose items that harmonize rather than clash with your outfit or distract from your apron. A tie or scarf must not cover the top of the apron or your name badge.

TIE YES LIST

Solid colours, simple patterns or prints work best.

If your socks are not a focal point of your outfit (if pant legs reach near your ankles), feel free to wear a pop of pattern or colour. If your socks or tights are a focal point of your outfit (especially if you’re wearing shorts or a skirt), please follow the same colour and pattern guidelines as “Tops” (pages 12–15)—subdued patterns and colours that complement rather than distract from your outfit.

And now the finishing touches.

**Nails**

Please make sure your fingernails are clean, well manicured and of either short or moderate length. No nail polish or artificial nail coverings of any kinds—nothing that could chip or slip into food or drinks.

**Jewelry / Piercings**

Keep earrings small or moderately sized. No more than two earrings per ear. Small ear gauges are allowed. A small nose stud is allowed (no septum piercings or rings). No other pierced jewelry or body adornments are allowed, including tongue studs. For food-safety reasons, no jewelry on hands or forearms (including watches, bracelets or wristbands), with the exception of one ring in the form of a plain band. Any other jewelry, such as necklaces, must be simple in design, must not be a health or safety hazard and must be worn under clothing. Medical alert necklaces are allowed.

Quebec only: Partners are not permitted to wear bands or rings (an exception will be made for wearing a plain band or ring without stones or inclusions), earrings, nose or tongue studs, watches, necklaces, bracelets, pins or other jewellery.
PINS

Securely fastened buttons or pins issued by Starbucks (for special recognition, or a promotion) are welcome where permitted by law. You are not permitted to wear buttons or pins that advocate a political, religious or personal issue. Pins may not interfere with safety, threaten to harm customer relations or otherwise unreasonably interfere with Starbucks public image. For food-safety purposes, all pins must be securely fastened at all times.

SWEATERS & JACKETS

In cooler temperatures, sweaters in the colour palette (pages 8–9) are okay to wear. Sweatshirts or hooded shirts are not acceptable. If working outdoors or at Drive Thru window, a jacket or coat in a solid colour (see acceptable colours on pages 8–9) may be worn. No logos or writing other than a small manufacturer’s logo.

TATTOOS

Visible tattoos on face and throat are not allowed. Other visible tattoos are permitted so long as they don’t contain obscene, profane, racist, sexual, or objectionable words or imagery. Please cover any not-allowed tattoos with clothing compliant with our Dress Code (like long-sleeve shirts, pants, turtlenecks) or concealing makeup. No arm-sleeve accessories including athletics sleeves. Due to hand-washing requirements, there are no acceptable methods for covering inappropriate hand tattoos, including bandages, makeup or foodservice gloves.
PERSONAL HYGIENE

Please follow all reasonable personal grooming standards, including regular bathing and use of deodorant. Perfume or highly fragrant grooming products cannot be worn, as the smell can affect the taste and aroma of our coffee.

MATERNITY

If you are pregnant, you must wear clothing in colours and patterns consistent with these guidelines; however, stretch materials and longer shirts are permitted.

EXCEPTIONS

Exceptions to the Dress Code may be made where required by law to accommodate sincerely held religious beliefs or a disability. Talk with your manager or call the Partner Resources Support Center at (866) 504-7368 for more information about exceptions.

IN CLOSING

You are expected to follow these standards during the workday. If you come to work inappropriately dressed or with unacceptable appearance, you may not be permitted to start your shift. Failure to adhere to the Dress Code may result in corrective action, including separation from employment.
